## 🏆 AWARDS

17/03/2023

### EECS Lab Support System: Design Competition,

*School of Electronics Engineering and Computer Science (QMUL)*

The design competition was looking for new ways to support labs both technically and non-technically to improve student and staff experience.

30/11/2022

### Duke of Edinburgh's Gold Award

My DofE skill was building the study website, DarkUx. It helped me develop my research skills as I learnt to utilise different sources of information. Through working with these different sources I have learnt to distinguish relevant information in order to solve problems much quicker. I received my Gold Award on the grounds of the Buckingham Palace.
